Or click [here](#)

Jennifer Lamoureux - Aquatic and Fish Habitat Biologist, Rideau Valley Conservation Authority

Donna DuBreuil - President and Founder, Ottawa-Carleton Wildlife Centre

Bryarly McEachern - Executive Director/Naturalist and Mentor at Earth Path

Dr. Henri Goulet - Research Scientist (Entomology) at Agriculture and Agri-Food Canada

This event will bring together members of the public with various organizations including college, university and high school students that are promoting habitat conservation in Ottawa. A map of conservation areas in Ottawa, as well as the speakers' topics, will seed table discussions and a plenary.

THIS IS A FREE EVENT ORGANIZED BY OBEC

Saturday, October 28th, 2017 10:30AM- 2:30 PM

Beaver Barracks, 464 Metcalfe St Ottawa
