

## Arachnids of Larose Forest

---

### ARACHNIDA

#### Amaurobiidae

*Callobius* sp.

#### Araneidae

*Araneus marmoreus*

*Araneus trifolium*

*Araniella displicata*

*Argiope aurantia*

*Hyposinga* sp.

*Neoscona* sp.

#### Clubionidae

*Clubiona* sp.

#### Hydryphantidae

*Hydryphantes* sp.

#### Linyphidae

*Helophora* sp.?

*Frontinella communis*

*Hypselistes* sp.?

*Hypselistes florens*

*Microlinyphia* sp.?

*Neriene* sp.

#### Lycosidae

*Pardosa* sp.

#### Philodromidae

*Tibellus oblongus*

#### Pisauridae

*Dolomedes triton*

*Pisaurina mira*

#### Salticidae

*Eris militaris*

*Pelegrina proterva*

#### Tetragnathidae

*Tetragnatha* sp.

*Tetragnatha staminea*

#### Theridiidae

*Argyrodes trigonum*

*Enoplognatha ovata*

*Theridion* sp.

*Theridula emertoni*

### SPIDERS, HARVESTMEN, MITES, TICKS

#### Hacklemesh Weavers

Hacklemesh weaver

#### Orb Weavers

Marbled orb weaver

Shamrock orb weaver

Six-spotted orb weaver

Black and yellow argiope

Orb weaver

Orb weaver

#### Sac Spiders

Sac spider

#### Water Mites

Water mite

#### Sheet Web Weavers and Dwarf Spiders

Bowl and doily weaver

Splendid dwarf spider

#### Wolf Spiders

Wolf spider

#### Philodromid Spiders

Oblong running crab spider

#### Nursery Web Spiders

Six-spotted fishing spider

Nursery web spider

#### Jumping Spiders

Bronze jumper

Reckless jumper

#### Long-jawed Orb Weavers

Long-jawed orb weaver

#### Cobweb Weavers

Cobweb spider

Cobweb weaver

**Thomisidae***Misumena vatia**Xysticus punctatus**Xysticus transversatus***Crab Spiders**

Goldenrod crab spider

Ground crab spider

Transverse-banded crab spider

**OPILIONES**

Opiliones spp.

**Harvestmen**

Harvestmen spp.

31 species

Updated: October, 2016
