Founded in 1879, The OFNC is Canada's oldest natural history club. Your support enables us to:

- Conserve We are quick to make our voice heard and apply pressure when habitats are being threatened. Our membership numbers carry a lot of weight – just being a member helps.
- Research The highly respected Canadian Field-Naturalist is devoted to presenting peer reviewed papers by leading academics and amateurs in the natural history field.
- Inspire Our field trips, publications, special events and sponsorship of the Fletcher Wildlife Garden encourage the understanding and appreciation of the natural world.
