

Visual and Sound Wildlife Quests for Mud Lake Spring version

**Mud Lake is part of the
Britannia Conservation
Area and the Lac Deschenes
Important Bird and
Biodiversity Area (IBA). It
can be reached by driving to
the end of Britannia Road
then right on Cassels Street.
There is parking along the
road side and before the
Water Treatment Plant.
The trails are pedestrian
only and **no dogs are
allowed.****

**For other quests go to our
website: ofnc.ca/quests**
