

Visual and Sound Wildlife Quests at MacLaren Cemetery & Wakefield Trails Summer version

MacLaren Cemetery is located at the end of the road that takes you to the Wakefield Mill. Continue past the mill over a bridge then uphill to the cemetery. Lester Pearson's grave is located here. There are three trails of different lengths. All require some moderate to steep climbing. Approximate elevation is 50 m. Trails may loop or take you to the town.

For other quests go to our website: ofnc.ca/quests
