147th Annual Business Meeting of the Ottawa Field Naturalists' Club January 14, 2026

Notice of Meeting and Registration Procedure

The Annual Business Meeting of the Ottawa Field Naturalists' Club will be held on Wednesday, January 14, 2026 at 7:30 p.m. The meeting will be held online, using Zoom.

Members will review the activities of the Club during the past year. The financial situation of the Club will be presented, and members will elect the Board of Directors for the coming year. Committee reports will be tabled that describe the activities of the Club during the year.

Members can download the agenda, financial statements, annual committee reports, nominations for the Board of Directors, and the motions to be voted on from our website at <https://ofnc.ca/about-ofnc/annual-reports>

Online Meeting

We hold the Annual Business Meeting online. Our experience has been that attendance is much higher than with in-person meetings.

The meeting will be conducted using Zoom, which is a video-conferencing tool. You will need to have a (free) Zoom account, and you will need to install the Zoom app on either your computer, tablet or smartphone. Please go to <https://zoom.us> or to the app store of your phone or tablet to download the app and create an account.

Registration

The Ontario Not-for-Profit Corporations Act requires us to ensure that all participants in the meeting are members of the Club. The only way that we can do this with reasonable security and simplicity is to require registration before the meeting, through Zoom.

Each participant needs to register beforehand. To register, please click on the link below and complete the form; you'll need to provide your name and email address.

Clicking on this link will take you to the registration form:

<https://us02web.zoom.us/meeting/register/pzjyTZSjRaaGcPZmzDnkOA>

Important: Please register as soon as you decide that you want to attend. Attempts to register near the start, or during the meeting will be too late.

After your membership has been confirmed, we will email you a personal link which will be unique to the email address that you used to register. You'll use this personal link to join the meeting on January 14.

If you have a family membership and more than one member of the family wishes to vote on motions, each family member needs to register separately (with a separate email address and associated Zoom account).
